PRINT PRODUCTS

One of the things I pride myself on is being able to offer fine art print options to my clients. All prints are of superior archival quality and are printed using pigment based inks and museum grade papers. You will be able to order products after your images have been edited.

PHOTOGRAPHIC FINE ART PRINTS

	SEMI-GLOSS	WATERCOLOUR
5x7	\$17.50	\$25
8x10	\$25	\$32.50
11x14	\$35	\$42.50
16x20	\$60	\$67.50

With my current inks and papers the gorgeous watercolour print pictured is rated to last 120 years framed behind glass or 250 years in an album or dark storage (that's before colours start fading). A print from a regular lab will only last a few years before the colours begin to fade!

WOODEN PHOTO BLOCKS

5x5	\$37.50
8x10	\$62.50
11x14	\$79
12x12	\$85
12x16	\$95
16x20	\$135

The print is paired with a wooden block, the edges are sanded and lastly a protective coating is applied with visible brush strokes. This is by far my most popular sought after product!

PETITE BOOKLET

The perfect little keepsake for your images, the petite booklet is printed on fine art watercolour paper and bound with twine. It includes a genuine leather envelope for storage.

5x10 Booklet (Includes up to 15 Images)	\$197.5
Additional Image/Page	\$25
